AFFIDAVIT

The undersigned upon oath deposes and states as follows, to-wit:

Your affiant Ruben Ozuna is a Midwest City Police Officer. On 07-26-04 J. Dunn reported that she had been sexually assaulted. Dunn lives in the Spring Tree Apartments in Midwest City. She stated that she was sleeping in her bed with her son. She was awakened by a B/M who had his hand over her mouth and a knife against her neck. She said that he told her to be quiet or he would hurt her baby. She said that he told her to get up and go into the living room. She said that he told her to take off her clothes. She told him that she was on her period. She said that he then told her to rub him. She said that he then told her to perform oral sex on him. She said that he then put on a condom and forced intercourse with her. She said that he stopped the intercourse and removed the condom and then told her to perform oral sex on him again. She said that he then forced intercourse a second time. She said that when he was finished he told her to get dressed and to go to her room. She said that as he left he told her that she would find her cell phone outside her window. She said that throughout the assault, he continued to threaten to hurt her baby (five year old son).

She said that he must have taken her sleeping pants (the ones she had been wearing prior to the assault) because they were missing. In addition her purse had been emptied, with the contents spread out. \$7.00 was missing from her purse, although her debit card and checkbook were not taken. After the subject left, she attempted to call for help, but her phone would not work. (We later found the "home" phone cord had been unplugged and cut.) She took out her spare phone and called for help. Dunn's cell phone was later found outside her kitchen window. Dunn was not sure what time the suspect woke her up, but she stated that he left her apartment at 0515 hours. She estimated that he spent thirty minutes to an hour in her home. The suspect had not turned on any lights so Dunn was only able to describe the suspect as a B/M, wearing a light colored shirt. She stated that he was approximately 5'7" with a slender build.

In processing the scene, we found her kitchen window open. Outside the window we found some candles and a tin laying on the ground. We also found mud on the outside wall under the window. In canvassing the area, we found her sleeping pants in a dumpster in the N/E corner of the apartment complex. When we removed the pants, directly under them, we found a used condom and a Trojan Magnum Condom wrapper.

The only business which was open in the immediate area was Crest Grocery. Sgt Favors, also of the Midwest City Police, contacted Crest and learned that they had video surveillance. The video revealed that a B/M, medium height and slender, wearing a light colored shirt had purchased a box of Trojan Magnum Condoms. We developed photos from the video. From the showing the photos to various witnesses, we identified the subject in the video/photos as Rayshun Mullins.

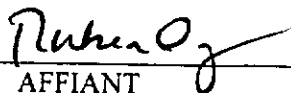

We located Mullins and asked him to come in for an interview. After reading Mullins the Miranda warning, he confessed to this assault. He stated that he was first going to attempt to enter the home thru the kitchen window, but that he decided to try to the door and found it unlocked. He said that he entered into the living room. He said that he then checked the front room (bedroom) and saw "her sleeping with the little boy." He said that he saw her cell phone and that he picked it up. He said that he watched them for a while and then went through the bathroom, second bedroom, and then back into the living room. He said that he then saw her purse. He said that he took her purse and the cell phone to the kitchen window. He said that he opened the kitchen window and threw the phone outside. He said that he accidentally knocked some stuff (the candles and tin) out of the window as he threw the phone outside. He said that he went through the purse and he found \$2.00 cash which he stole. He said that there was a bank card, but that he did not take it. I asked him if he knew the name. He said that he did not know the first name, but that he knew her last name was Dunn.

He said that he then unplugged the phone and then decided to cut it with a knife which he found in the kitchen. He said that he went to her bedroom and woke her up. He said that he told her to be quiet and to get up. I asked him if he had the knife. He said that he did. I asked him if she knew he had the knife. He said that she did. He said that he used it to scare her. He said that he told her to come into the living room. He said that he told her to take her clothes off. He said that she told him that she was on her period. He said that he checked this by moving her panties. I asked him how he could tell by moving her panties. He said that there was light which filtered through the kitchen window and with that light, he could see "white paper" which verified to him that she was on her period. He said that he told her to rub him. He said that she then performed oral sex on him. He denied telling her to do this. He said that he then put on a condom and had intercourse with her. He stated that he ejaculated in the condom. He said that he pulled out and took off the condom and that he then told Dunn to perform oral sex on him. He said that after a while he told her to stop and that he then had intercourse with her again. He said that when he was done, he told her to get dressed and go to her room. He said that he told her where her cell phone was so that she could call for help. He said that he grabbed her pants, the condom, and the condom wrapper and then left. I asked him what he did with the items he took. He said that he threw them in the trash. I asked him if he thought that she consented to this. He said that he knew that she did not. (Mullins also confessed to several other assaults and robberies in Okc. OCPD will be filing charges reference those incidents.)

I placed Mullins under arrest. He was charged with:

OS 21. 1111 RAPE I  
OS 21. 888 FORCIBLE SODOMY  
OS 21. 797 ROBBERY I  
OS 21. 745 KIDNAPING  
OS 21. 1431 BURGLARY I RESIDENCE

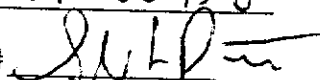

Mullins was booked into the Midwest City jail at 2015 hours on 07/28/04. These acts occurred in Midwest City, in the county and state of Oklahoma. Based on this information, the undersigned prays that this Honorable Court issue a finding of fact that probable cause exists to believe that a crime has been committed and that there is probable cause to believe that the defendant above named committed that crime.
